A Peek at the  
Nudists A Go-Go

A vintage black and white photograph of a woman with short, wavy hair, smiling and looking towards the camera. She is wearing a light-colored, one-piece swimsuit or bikini top. The background is filled with dense foliage and flowers, creating a natural, outdoor setting.

"There are so many physiological differences between men and women that it is hard to believe they belong to the same species," says this noted psychologist.

## WHY A WOMAN CAN'T BE LIKE A MAN

by DR. ERVIN SEIDEL

How clever Aco, a righteous young husband, thought a woman because his wife wiggled her legs in a provocative fashion whenever she walked down the stairs. Not only did the womanly conduct excite the gloomy spouse of the keys, in front of the right stairs, but their child constantly caused him "incredible mental suffering." To the delighted judge's questions regarding the real wagging trails measure of torment during their courtship, the young man only replied that it had been the same but he (and his outraged lawyer) felt that after

## How to Relate a Conquest

by ROBERT KROK

**ANY YOUNG BACHELOR** worthy of his initials knows that his command over success is a precious Dan-Jude depends in large part on maintaining the reputation he has so painstakingly acquired over his years as a practicing rogue—mentioning it and whenever possible embellishing it.

- Nothing so smoothens his road to new bedchamber as an engage which precedes him and to the object of his amorous ambitions, says an old-timer who is about to be married. By a masterful and well-versed flattery which persuades women before her have found utterly irresistible and, therefore, what chance does poor little her have ready, on the floor of such a marvellous if overwhelming conquest?

- From the viewpoint of what is laughingly called "harmless
